I've attached the revised QAPP and all the appendicies I have here, except "Metals SOP"- it's just too much for this email so I'll send it separately next. I could not find one labeled "G." Michael and Tracie- if there is an appendix G, or if any others are mising, please attach and reply to all. Thanks!

Hi Gina,

Here is the latest version of our QAPP with revisions based on everyones comments and suggestions. We believe we have been able to answer most all comments and concerns but if we missed anything please let us know so we can get it right. We are also attaching another Appendix to go along with the ones we sent previously.

Thank you,
Michael
